

BENEV
Progressive Skin Science

HYALURONIC CREAM Intensely hydrates, softens and smooths to promote a more youthful, supple appearance without a greasy feel

KEY INGREDIENTS:

- Hyaluronic Acid
- Jojoba Seed Oil
- Apricot Kernel Oil
- Squalane

KEY BENEFITS:

- Hydrates and renews through the entire night; nightly use helps minimize the signs of aging
- Supports overall skin health with a well-balanced blend of vitamins, minerals and lipids
- Normalizes, balances and maintains skin's natural moisture level

WHY IT WORKS:

- Creates an ideal environment for the development of new skin cells
- Contains several moisturizers and conditioners, so there is no need to apply other moisturizers first

CLINICAL USE:

Use immediately following injections and one week post peeling procedures.

HOW TO USE:

Apply to face after cleansing or after exfoliating skin with Salicylic Acid Exfoliator and Glycolic Exfoliating Gel.

COMPANION PRODUCTS:

- Pearl Cleanser
- GF-DNA Serum
- Eye Cream

SKIN TYPES: Dry, Combination, Oily, Sensitive

HYALURONIC MOISTURIZER

Moisturizes and retains moisture for soft, balanced skin while helping to prevent the formation of fine lines

KEY INGREDIENTS:

- Hyaluronic Acid

KEY BENEFITS:

- Hydrates with hyaluronic acid, a natural constituent of skin
- Allows skin to better absorb corrective products put on over it, with less chance of sensitivity
- Creates an ideal environment for skin cell renewal, encouraging a more youthful appearance
- Non-greasy, lightweight moisturizer that leaves skin smooth and pliable and will not cause makeup to melt

WHY IT WORKS:

- Hyaluronic acid, a natural emollient, holds more water than any other substance, so it intensely hydrates and rejuvenates skin
- Pure, highly concentrated formula with 50% hyaluronic acid

CLINICAL USE:

Apply daily over injectables such as Restylane, Hylaform and Perlane.

HOW TO USE:

Morning and night, apply 2-4 drops to cover the entire face.

COMPANION PRODUCTS:

- Pure Squalane
- Instant Lifting Serum

SKIN TYPES: Dry, Combination, Oily, Sensitive

ESSENTIAL LIPIDS

Designed to mimic skin's protective barrier after procedures and exposure to environmental aggressors

KEY INGREDIENTS:

- Glycosphingolipids
- Cholesterol

KEY BENEFITS:

- Hydrates, softens and soothes dry, weathered or irritated skin
- Replenishes essential moisture and protects from moisture loss
- Conditions and smooths to diminish appearance of dry, fine lines
- May be applied throughout day as needed for dryness

WHY IT WORKS:

- Rich in cholesterol, lipids and silicone, it leaves skin silky smooth and eliminates flakiness
- Acts as a breathable barrier against dryness and harsh environmental factors

CLINICAL USE:

Apply post-procedure after IPL, MDB, chemical peeling, dermaplane and non-ablative laser.

HOW TO USE:

Morning and night, apply 2-4 drops to entire face or affected areas.

COMPANION PRODUCTS:

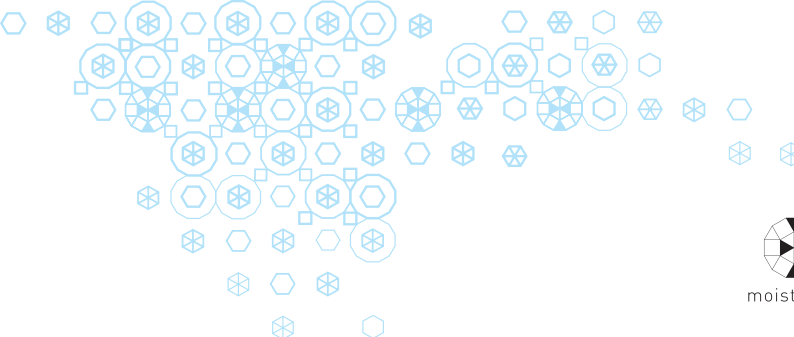

- Hyaluronic Cream
- Pure Squalane
- GF-DNA Serum

SKIN TYPES: Dry, Combination, Oily, Sensitive

moisturize

BENEV
Progressive Skin Science

PURE SQUALANE Restores moisture, prevents moisture loss and soothes irritated skin with pure squalane from olives

SKIN TYPES: Dry, Combination, Oily, Problematic, Sensitive

KEY INGREDIENTS:

- Squalane 100%

KEY BENEFITS:

- Diminishes the appearance of dry facial lines
- Allows skin to better absorb corrective products put on over it, with less chance of sensitivity
- Promotes healthy collagen production
- Non-greasy, lightweight moisturizer that leaves skin smooth, supple and pliable and will not cause makeup to melt

WHY IT WORKS:

- A natural component of sebum, squalane is readily accepted by the skin to soften and smooth
- Blends with skin's natural oils to lubricate and moisturize cellular fluids without clogging pores

CLINICAL USE:

Use immediately following chemical peels and laser treatments.

HOW TO USE:

Morning and night, put 2-3 drops in the palm of hand and put on to skin

COMPANION PRODUCTS:

- Hyaluronic Moisturizer
- Pearl Cleanser
- Silicone Spray

BENEV® products are scientifically engineered with proven ingredients and manufactured in our FDA-registered manufacturing facility, which maintains strict pharmaceutical-level production guidelines to ensure quality and integrity within each finished product.
