BENEV

Progressive Skin Science

CRYSTAL CLEANSER Removes excess oil and debris and softens cellular buildup to encourage the removal of dead skin cells

KEY INGREDIENTS:

- Olea Europaea (Olive) Fruit Oil
- Citrus Grandis (Grapefruit) Peel Oil
- Rose Hips Seed Extract

KEY BENEFITS:

- Easily removes makeup, including eye makeup
- Softens surface oils and debris to encourage shedding of dead cells, gently revealing a fresher appearance
- Leaves skin pH balanced with no film, eliminating the need for toner and priming the skin for treatment
- No added color or fragrance

WHY IT WORKS:

- Utilizes a vegetable oil base that emulsifies and removes excess oil and debris
- Liquefies and dissolves oil, oil-based products and sunscreens
- Rinses away without leaving a greasy residue

CLINICAL USE:

Use as a part of pre-treatment preparation

HOW TO USE:

Wet face with lukewarm water. Place 1 pump into the palm of your hand. Work into a lather and gently massage onto wet skin.

COMPANION PRODUCTS:

- Hyaluronic Moisturizer
- Vitamin C Serum

SKIN TYPES: Dry, Combination, Oily, Problematic, Sensitive

PEARL CLEANSER Gently cleanses skin, removes debris from clogged pores, and prepares skin for exfoliation

KEY INGREDIENTS:

- Citrus Medica Limonum (Lemon) Peel Oil

KEY BENEFITS:

- Cleanses thoroughly yet gently without stripping skin's moisture
- Dissolves makeup, including eye makeup, and debris quickly; ideal for skin that can't tolerate much scrubbing
- Leaves skin pH balanced with no film, eliminating the need for toner

WHY IT WORKS:

- Softens cellular buildup, encouraging the removal of dead skin cells for a fresher appearance
- Contains a calming antioxidant that helps to soothe any redness and leave skin silky smooth

CLINICAL USE:

Use as a part of pre-treatment preparation

HOW TO USE:

Wet face with lukewarm water. Place 1 pump into the palm of your hand. Work into a lather and gently massage onto wet skin. Rinse well. Follow with Hyaluronic Moisturizer.

COMPANION PRODUCTS:

- Hyaluronic Moisturizer
- Vitamin C Gel
- GF-Eye Gel

SKIN TYPES: Dry, Combination, Oily, Sensitive

SALICYLIC CLEANSER Contains a beta-hydroxy exfoliator to help reduce congestion, breakouts, and the appearance of fine lines

KEY INGREDIENTS:

- Salicylic Acid
- Chamomilla Recutita (Matricaria) Flower Extract
- Aloe Barbadensis Leaf Juice

KEY BENEFITS:

- Deep cleanses pores and exfoliates for a fresh, clean, clear complexion
- Addresses clogged pores by promoting the loosening and removal of dead skin cells and debris
- Helps soothe and calm irritated, inflamed skin
- Leaves skin pH balanced, eliminating the need for toner

WHY IT WORKS:

- Salicylic acid is a beta-hydroxy exfoliating agent that has been shown to be effective in the control of breakouts
- Salicylic acid may improve the appearance of fine lines due to its exfoliating properties

CLINICAL USE:

Home care

HOW TO USE:

Emulsify a small amount with fingers and gently massage onto wet skin. Rinse thoroughly. Use nightly or as prescribed by physician.

COMPANION PRODUCTS:

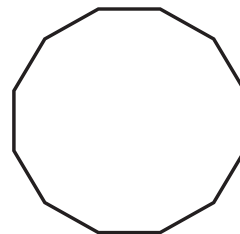

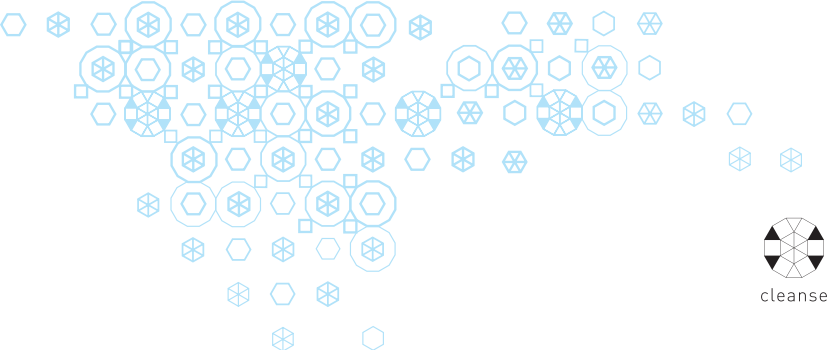

- Sulfur Mask
- Hyaluronic Moisturizer

SKIN TYPES: Dry, Combination, Oily, Problematic, Sensitive

BENEV® products are scientifically engineered with proven ingredients and manufactured in our FDA-registered manufacturing facility, which maintains strict pharmaceutical-level production guidelines to ensure quality and integrity within each finished product.

BENEV
Progressive Skin Science

GLYCOLIC FACE AND BODY WASH

Designed to deeply cleanse and refresh skin of the face and body with a mild alpha-hydroxy acid action

KEY INGREDIENTS:

- Glycolic Acid 10%

KEY BENEFITS:

- Removes dulling cellular buildup for fresh, smooth, healthy looking skin
- Deep cleans and gently exfoliates without irritating
- Conditions for softer skin
- Excellent for aging, acne, razor bumps, small bumps on the back of arms or elsewhere (keratosis pilaris), and rough, dry skin

WHY IT WORKS:

- Glycolic (alpha-hydroxy) acid helps to improve the texture of skin
- Removes debris from clogged pores to help prevent breakouts and inflammation that can cause scarring and hyperpigmentation

CLINICAL USE:

Home care

HOW TO USE:

Face: Place 1-2 pumps into the palm of your hand. Work into lather and gently massage onto wet skin. Rinse well.
Body: Lather onto wet body with a sponge or washcloth. Rinse well.

COMPANION PRODUCTS:

- Pearl Cleanser
- Hyaluronic Moisturizer
- Pure Squaline

SKIN TYPES: Dry, Combination, Oily, Problematic, Sensitive

BENEV® products are scientifically engineered with proven ingredients and manufactured in our FDA-registered manufacturing facility, which maintains strict pharmaceutical-level production guidelines to ensure quality and integrity within each finished product.
